

RoHS COMPLIANCE STATEMENT

COMPLIANCE STATEMENT FOR RoHS AND RoHS-2, ON THE RESTRICTON OF THE USE OF CERTAIN HAZARDOUS SUBSTANCES IN ELECTRICAL AND ELECTRONIC EQUIPMENT

Reference Directives:

1. Directive 2011/65/EU (RoHS-2 or RoHS-Recast) of the European Parliament and of the Council of 8 June 2011 on the restriction of the use of certain hazardous substances in electrical and electronic equipment (recast).
2. Directive 2002/95/EC of the European Parliament and of the Council of January 27 2003 on the restriction of the use of certain hazardous substances in electrical and electronic equipment.

In reference to the directives described above and based on the information provided to us by the suppliers of materials used in the manufacture and delivery of our products and services, Electronic Partners Ltd. certifies that the products listed below are manufactured in compliance to both Directives with exemption 6c, (copper alloy containing up to 4 % lead by weight) only applied. No warranty or liability of indemnification is expressed or implied with this information.

DESCRIPTION	EMC PN	Rev	QTY	EMC PO no
MR1 Remote I/O Card	CD649R6-0	rev I	300	606273
